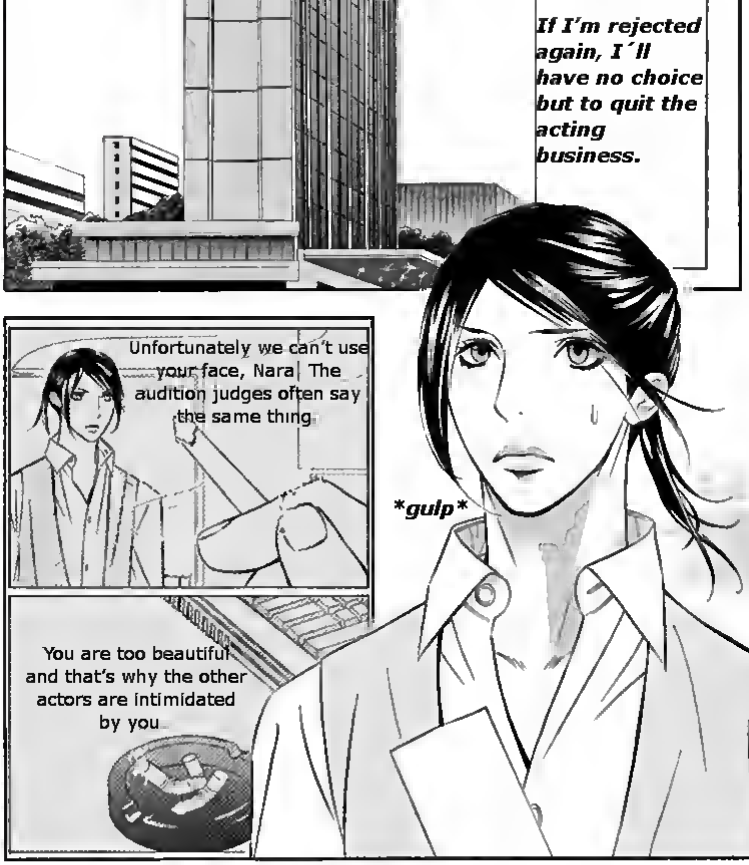
The Maharaja's Temptation



If I'm rejected again, I'll have no choice but to quit the acting business.
Unfortunately we can't use your face, Nara. The audition judges often say the same thing.
gulp
You are too beautiful and that's why the other actors are intimidated by you.

"Although there's no stamp, I should go in without an appointment," that's what I was told at the office.
The only audition that's left is for a foreign film company.
The Kuramiko, Tokyo Hotel, Room 1000, VIP

Excuse me, but could you tell me what's your business here?
No thank you, I'm fine
Welcome! Can I help you somehow?
Sorry, is that perhaps my business card?
!?

Wow! Jewels really suite this person, he looks like a bronze sculpture.
people clamouring

Everyone was wrong. This person is the one who's truly beautiful.
Oh!
I

What kind eyes this man has!
Really!
Where have you been hiding?
My beautiful Nara...

Eh...
sorry
??
Huh? Why do you know my name?
Oh! Yes, right away.
Come with me, let's talk some more in my room.
Is your name really Nara?

My name is Ajit Shuri Ashuud.
It's a different name than on the card. And this person doesn't look like the type to work in the entertainment business.
Is that so?
In my country there's a myth about a beautiful prince named Nara. When I heard your name I instantly thought that you were joking.
Yes, both my stage name and real name are Nara Akimoto.
Could you stand up and show me your body?
Oh, sure.
You came so far for the audition, so I'll give you some of my time.
Furthermore, it's very rare for a person to wear their countries national costume underneath their suit. You can even see the diamonds sparkle! They look real. I wonder how many carats do they have?

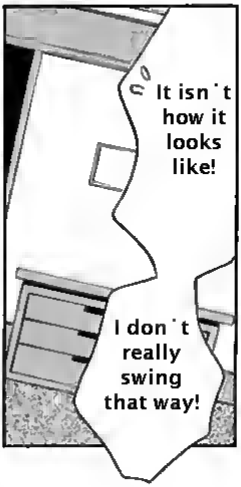
They're taking off your clothes to check for tattoos.
Somehow these people act more like servants than subordinates
Eh?
What´s the matter?

W... what?
I told them that if someone were to touch your naked body their hand would be cutt off.
upon our return to my home counrty
Sorry for all the commotion
Even though I warned my servants to be careful not to touch your bare skin...
Please stop this!
I can take my clothes off myself!
For something like that!?

Nara...
Cutting off a man's hand so easily...

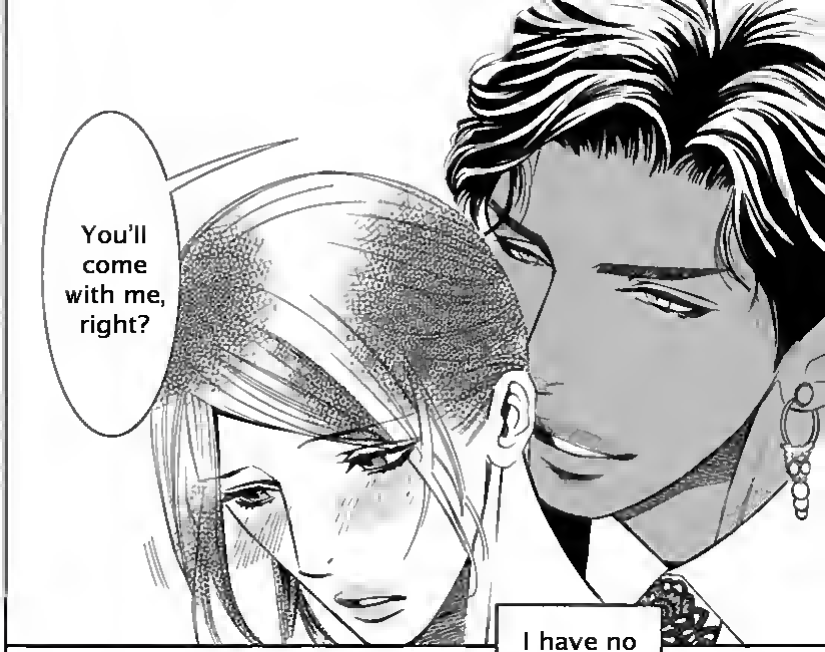
thump
Oh!
becomes erect
What?
!!
Ony because of your kindness Nara
my servant will be forgiven.

I've decided on you.



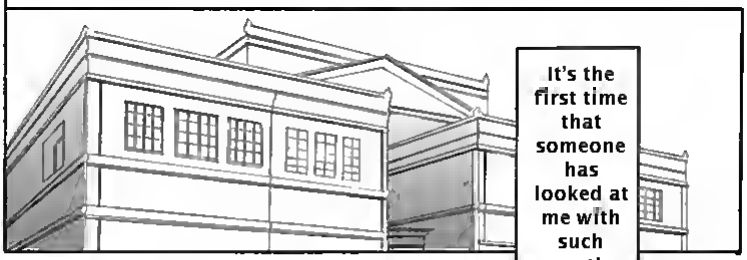
It isn't how it looks like!
I don't really swing that way!

Wow!
No way!
hides



I have no reason to decline, it's the first audition that I've passed.

Besides



It's the first time that someone has looked at me with such gentle eyes.

scatter
Even though I'm worried that I can't speak any foreign languages, I still came.
Is this really his house !?
Although Ajit-san told me that I will be staying at his place...
Well, don't just stand there, please go inside, Nara-sama.
His Highness is waiting for you at that door.
Just walk straight ahead, please.
Everything is adorned with diamonds, he must be rich.
Yes.
A guide who speaks Japanese

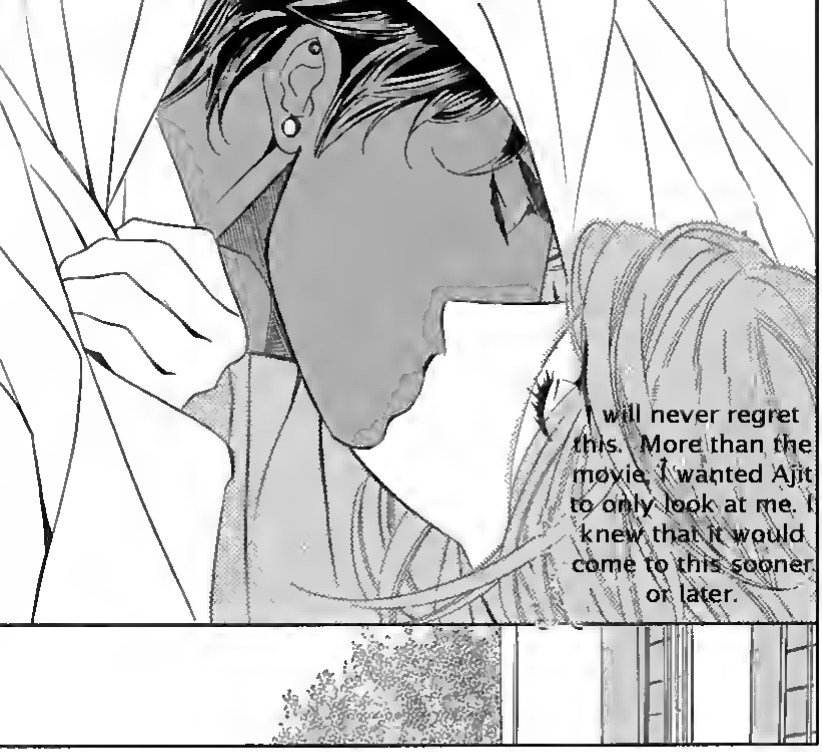
His Highness?!
Ah, you've come at last.
I was looking forward to your visit.
Welcome, Nara!
E...
Eh?!

swoosh
Does this attire have anything to do with the movie?
Come with me Nara you must be tired.
No.. not at all.
There is royalty who make movies?
Now that I think about it, I came here without even asking anything about the film or my part.
Come here!
take out
Err
My countries clothes suite you even better than I could have imagined.

Nara, I wanted to see you.
After I sent you home, I couldn't think about anything else but you.
Ajit-san...
Call me ´Ajit´.

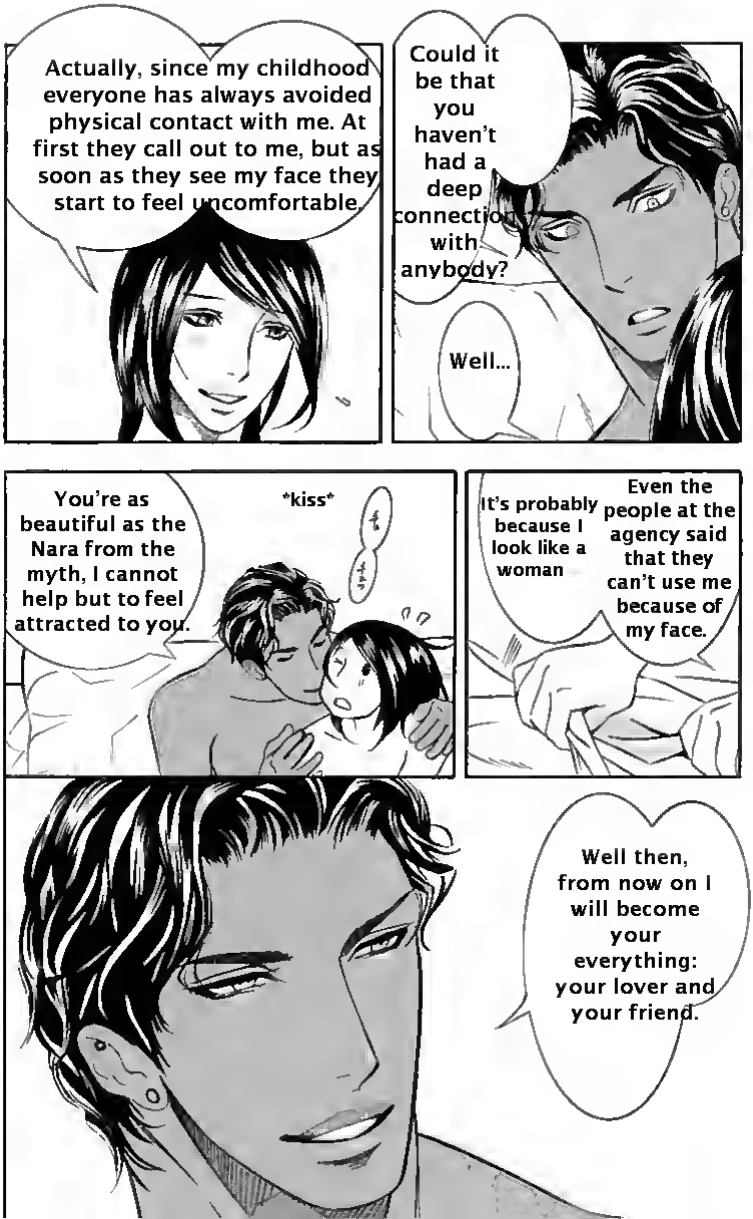
Ah!
Aah!
clench
push down
thump
Nara, I...
Wait!
kiss
Ah!
Is it wrong for me to want you?
spread

insert
Ah!
AAhh!
No
Ajit...
Nara... I don't want you to ever regret this.
Ah!
Aj...



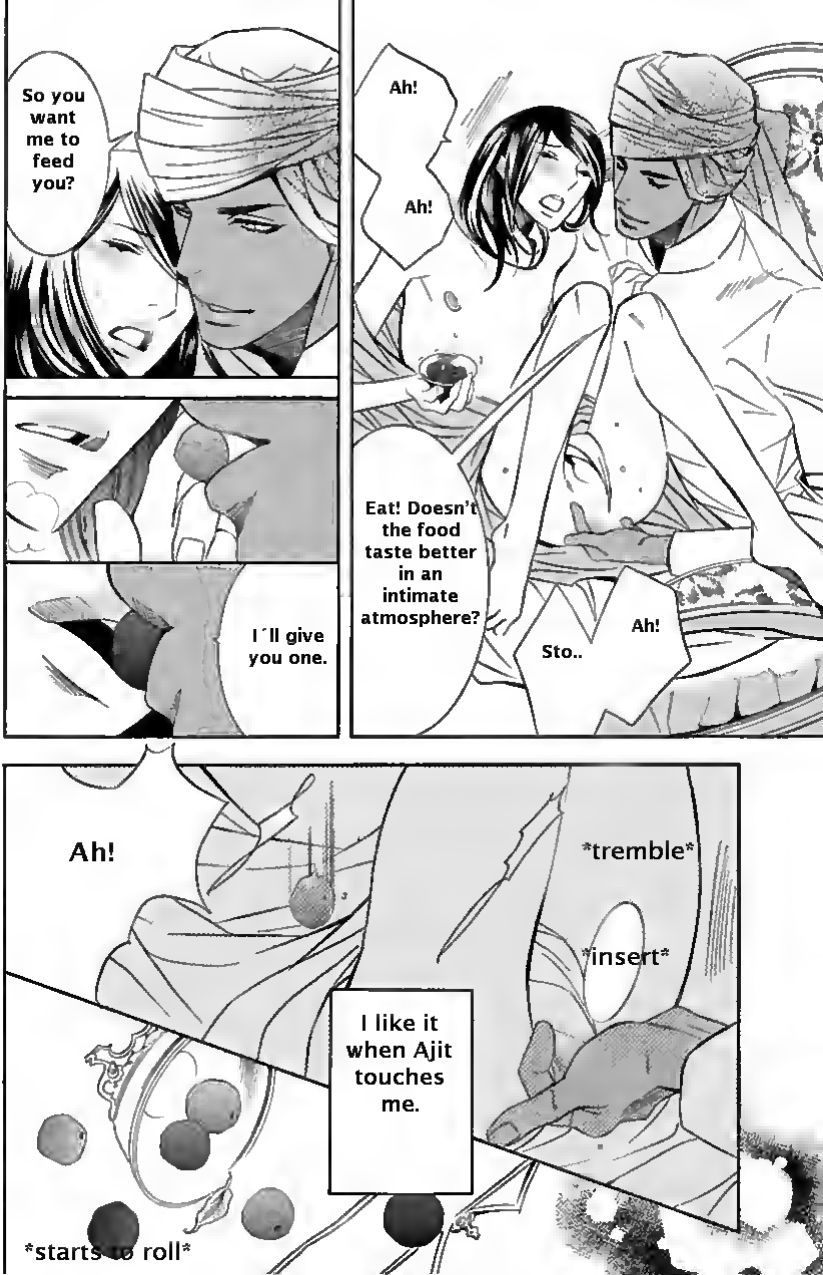
I will never regret this. More than the movie, I wanted Ajit to only look at me. I knew that it would come to this sooner or later.

I didn't know that the warmth of another person's body could be this pleasant.
I



Actually, since my childhood everyone has always avoided physical contact with me. At first they call out to me, but as soon as they see my face they start to feel uncomfortable.
Could it be that you haven't had a deep connection with anybody?
Well...
You're as beautiful as the Nara from the myth, I cannot help but to feel attracted to you.
kiss
It's probably because I look like a woman
Even the people at the agency said that they can't use me because of my face.
Well then, from now on I will become your everything: your lover and your friend.

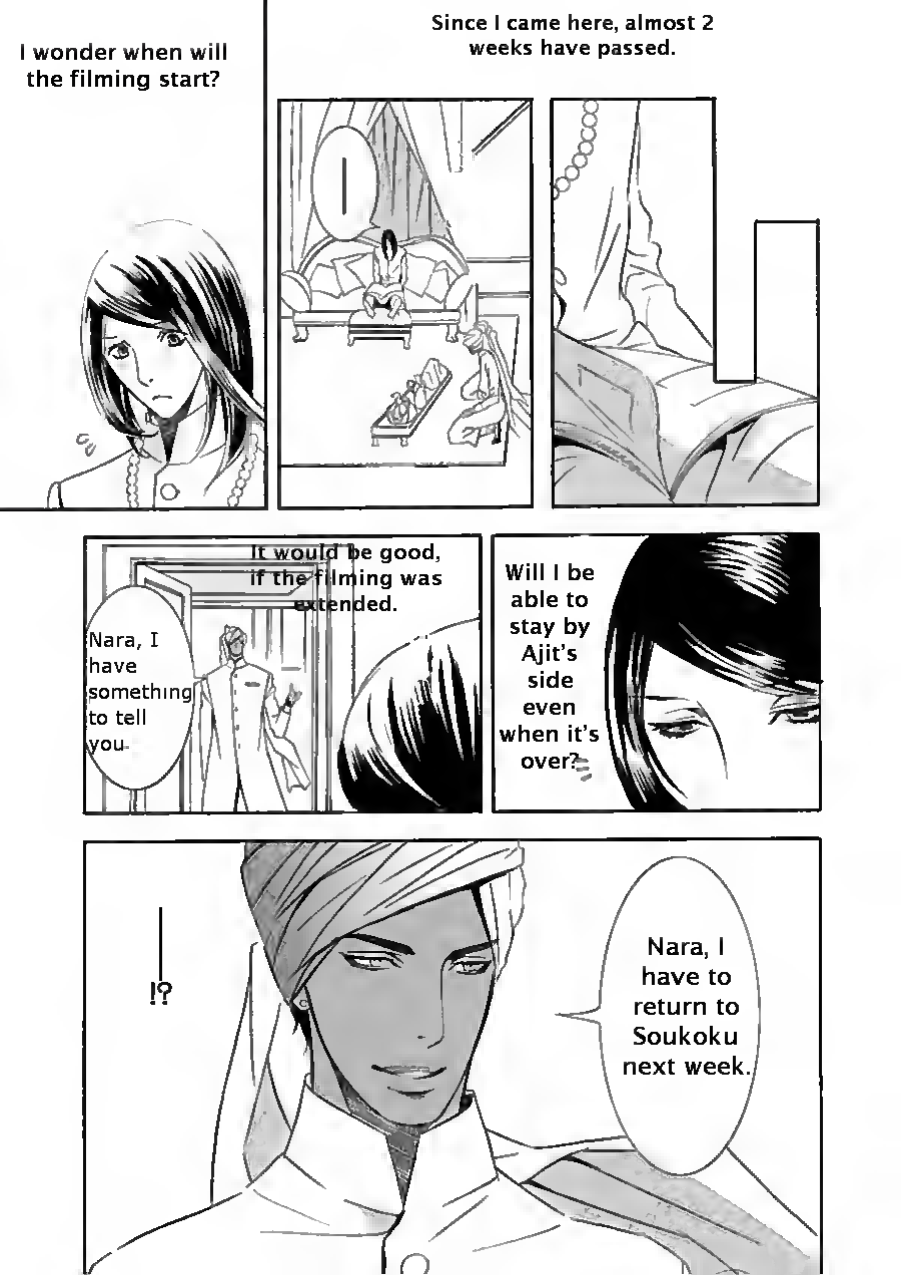
R...really?
Yes.
Oh no... wait... Ajit, we can´t!



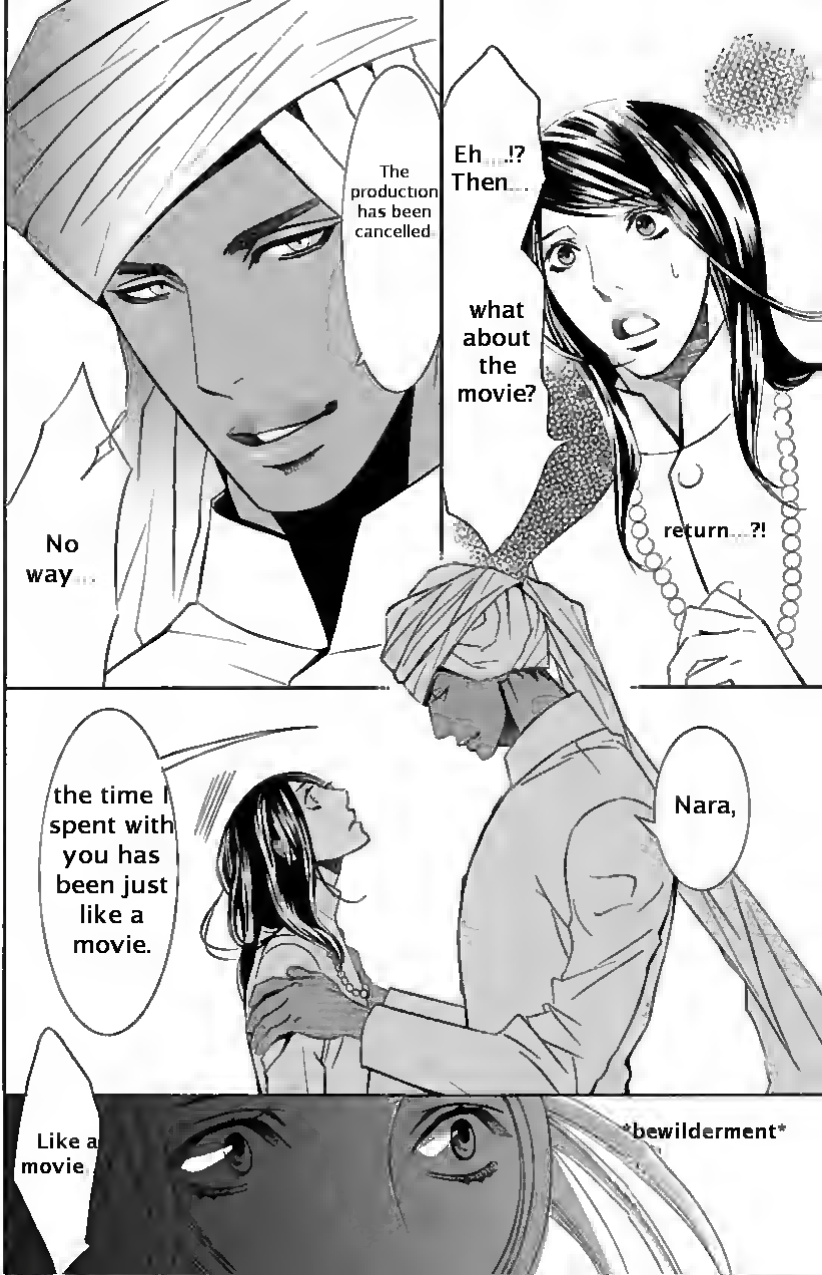
So you want me to feed you?
I´ll give you one.
Ah!
Ah!
Eat! Doesn't the food taste better in an intimate atmosphere?
Sto..
Ah!
Ah!
tremble
insert
I like it when Ajit touches me.
starts to roll

I like everything about him.
I like his calm voice and how gentle he is.
Ah!
Ah!
More!
thrust
S... such...
Shall we try it out?
Your begging is just too cute. I want to stuff you to the brim with my dick.
Ah!
AAh!
aahh!
I don't want to be separated from Ajit.

I want to become entangled with him even more.
I have already lost count of how many times he has held me.



I wonder when will the filming start?
Since I came here, almost 2 weeks have passed.
It would be good, if the filming was extended.
Nara, I have something to tell you.
Will I be able to stay by Ajit's side even when it's over?
!?
Nara, I have to return to Soukoku next week.



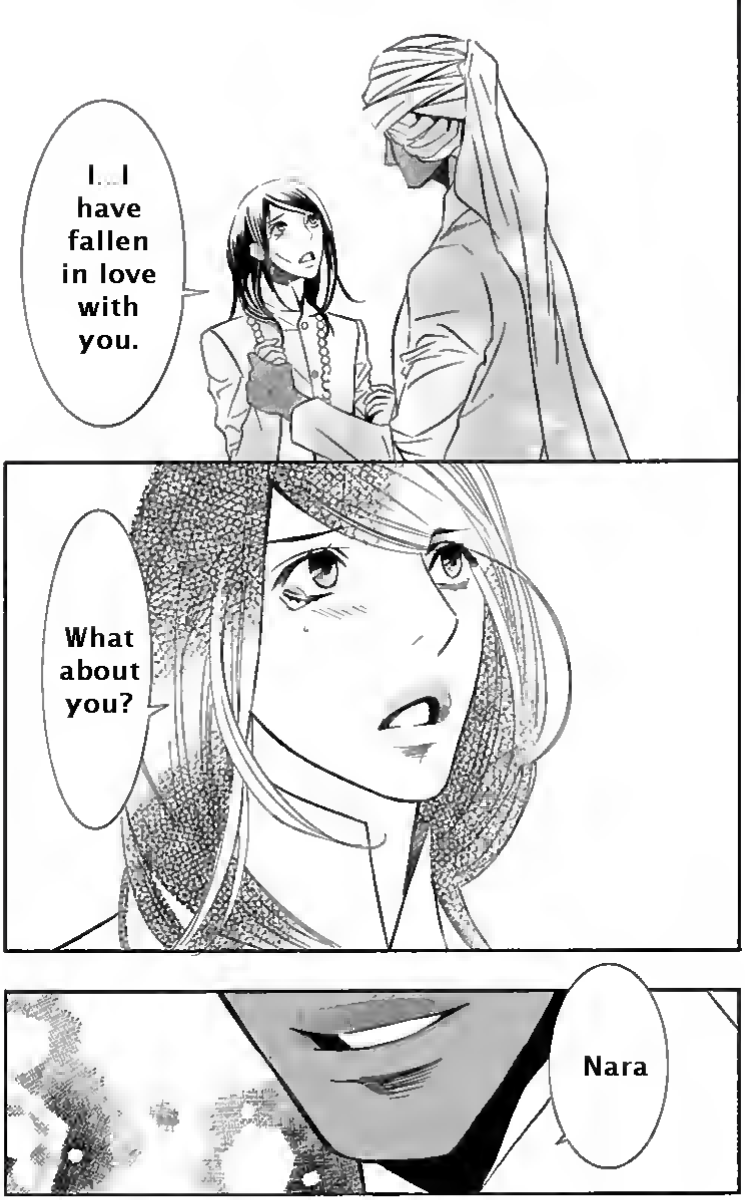
The production has been cancelled
No way...
Eh...!? Then...
what about the movie?
return...?!
Nara,
the time I spent with you has been just like a movie.
Like a movie
bewilderment

thud
Nara!
Nara?
I was tricked!
What a fool I´ve been! Since the very beginning everything has been just a lie. He was just using me as a plaything and now he has become tired of me.

gets in
Eapoutu puriizu!
Ok, put on your seat belt.
Takushii!
screeching of the brakes
Excuse me, but could you take another cab?
What?
!!?
It seems that we have been surrounded by the Security Police. Are you some kind of prince?
W-what?

Nara
No, let go of me. I don't want to listen to you!!
Nara, why did you run off without listening till the end?
Ajit!!!
Everything about the movie was a lie, wasn't it?
Weren't you planning to leave?! I too will be returning to Japan, so let go of me already!!!!

No way!
You are mine.
I will never let you go.



I...I have fallen in love with you.
What about you?
Nara

Ajit...
If you want to hear my answer, let's continue under that tree.

thrust
thrust
thrust
Ah!
Ajit...
Let me hear your answer... I want to hear it...
Ah!
Ah!
Ah!
thrust
tremble
If you come with me to my country, I'll give you an answer.
AAhhh!
